Welcome | Introduce the Lesson

Say: *What is sin? How is sin hard for our relationship with God?*

Share

Tell kids an experience of how sin can be tempting or hard. Share your thoughts on how sin can cause a strain on your relationship with God.

CORE BIBLE DISCOVERY

Use creativity to explore the Bible story and what it means to be made in God's image.

Say: *Jesus fixes our sin. As we look at the beginning of where sin began we are also reminded that God had a plan through his son Jesus. That even though sin was in the world Jesus makes it right!*

Read Genesis 3

Say: *Jesus fixes our sin. Just like God gave Adam and Eve clothing for their nakedness and sin. God gives us the gift of His son Jesus to fix our sin.*

Let's pray about that.

Pray: **Dear God, thank you that you give me the gift of Jesus to help fix our sin. Thank you for loving us even when we sometimes don't love you in our action. We love you Jesus, Amen.**

Demonstrate the Object Lesson to your child.

Suggestions for Parents/Guardians.

Watch the object lesson video before doing the magic trick.

The cut rope allows us to demonstrate a connection being severed due to sin between man and God. Because God is perfect and we now have sin due to the Garden. When it is restored through Jesus we now have our relationship with God back!

Make a serpent!

Punch a hole at the bottom of the serpent's head. Then punch holes along the body approximately 1 inch apart.

Thread the pipe cleaner through the holes being careful not to rip the body. Fold the pipe cleaner around the tip of the tail.

Make a tongue from 1 by 2 1/4 inch rectangle. Cut points on one end.

Glue the tongue over the pipe cleaner that is poking through the hole in the serpent's head.
